

HEART PHYSIOLOGY LAB EXERCISES 9 & 10

Dr. Lisa Brinn

Graphs Terminology List

(you may choose just one answer when there are multiple acceptable terms)

- Atrioventricular bundle
- Atrioventricular node
- Bundle of His
- Depolarizing phase
- Final repolarizing phase
- Initial repolarizing phase
- Internodal pathways
- Left bundle branch
- Moderator band
- Moderator band branch
- Plateau phase
- Prepotential phase or pacemaker phase
- P-Q interval
- Purkinje fibers
- P wave
- QRS complex
- Repolarizing phase
- Resting membrane potential
- Right bundle branch
- Sinoatrial node
- S-T interval
- Threshold point
- T wave
